

# University of Pittsburgh School of Law Law Alumni Association Scholarship

The University of Pittsburgh Law Alumni Association (UPLAA) was established in 1986. It aims to enhance the interest of the School of Law and its alumni through the establishment of student scholarships and a variety of activities that recognize and support the Law School, its alumni and current students. The UPLAA operates by its Board of Governors, which consists of a broad range of alumni.

Each year the University of Pittsburgh Law Alumni Association awards scholarships to three outstanding law students entering their final year at Pitt Law School. The UPLAA scholarship is awarded for the final year of law school in the amount of \$5000 per student and will be paid directly to the Law School.

## **Application Process**

Students interested in applying for the UPLAA Scholarship should submit:

- A completed UPLAA Scholarship application
- Cover letter and resume
- Unofficial law school transcripts (available through the Registrar's Office in Thackeray Hall or created via my.pitt.edu portal)
- Summary of federal loan debt from [www.studentaid.gov](http://www.studentaid.gov)

Applications and supporting materials in PDF format must be submitted via email to [mjeffries@pitt.edu](mailto:mjeffries@pitt.edu) no later than 5:00 pm EST on Friday, March 21, 2025.

The UPLAA Scholarship committee will review all complete applications. Consideration is given to academic performance, dedication to the Law School community, participation in community service and public interest support, interest in the public sector or with public interest law, commitment to providing Pitt Law School alumni involvement, and financial need. Financial need is often a determining factor in the event there are many outstanding and qualified candidates. Applicants can address low/high debt levels or extenuating circumstances in their cover letter. The UPLAA Scholarship committee will select finalists for the scholarship, and those finalists will be invited for an in-person interview with committee members. Finalists choosing not to interview with the committee will be eliminated for consideration for the scholarship. Those finalists selected as scholarship awardees will be notified shortly after the end of the interview process.
